*Putnam Valley, NY* – **This Saturday**, U.S. Rep. John Hall (D-Dover) will be holding Congress on Your Corners in Putnam Valley and Stony Point to give Hudson Valley residents the opportunity to meet with Congressman Hall and share their thoughts and concerns directly with him in their community, as well as seek assistance with casework without having to travel to one of the Congressman's district offices.

"Going to people's communities to meet face to face with them, hear their concerns, and see what my office can do to help is the very core of being a responsive representative," said Congressman Hall.

Congress on Your Corner stops are an integral part of Hall's Town Tour. In 2007, 2008, and 2009 Hall toured every town and city in New York's 19th Congressional District on his 43 Town Tour, attending at least one public event in every one of the 43 towns and cities he represents. Hall has relaunched his Town Tour for 2010 and has pledged to visit each town again.

At Congress on Your Corner, Hall and staff members take the services of his office to a local community, so residents can obtain assistance with casework, discuss issues, or get information without having to travel to one of the Congressman's district offices.

"Just as it's always important for my constituents to know where I stand on important issues, it's also critical for me to know where my constituents stand," said Hall. "The goal of my Congress on Your Corners is to facilitate this type of dialogue and make it easier for my constituents and their elected representative to work together."

Saturday's Congress on Your Corner events are free and open to the public. Future meetings will be announced to the media in advance and posted on Hall's website: <http://www.johnhall.h>
